Social Responsibility

Our team believes that a responsible corporate citizen means realizing business success while operating with the highest standards of respect for people, the environment and towards society.

Our responsibility as a leader is to ensure more than just trying to do the right thing and about changing the way we think and fostering responsible business practices through our employees and partners in ways that lead to sustainable operations, profitability, and a healthy workforce in a thriving community.

These values shape our culture and form the basis of our commitment to make a positive contribution to society. As part of our commitment, a percentage of profit every year is funded to the welfare of orphanage, old homes, medical assistance & child education to poor etc.

Services:

Chemical Transportation

Aditya Bulk Carriers are an anytime, anywhere logistics solution provider and offers the whole set of services in transportation of liquid cargos: non-hazardous chemicals and chemical products of different hazard classes, liquefied gases and liquid products of different industry. Our many years of experience in the field of Chemical transport allow us to offer comprehensive transportation solutions at economic freights.

Being a leader, we set realistic delivery times and try to meet your urgent order of transportation needs to the best of our abilities. Transportation is performed by road in tankers either in M.S. or S.S. tank, which satisfy requirements of liquid cargo transportation standards.

We enjoy years of reputation in serving our clients with competitive pricing, attention to detail and a focus on developing relationships, this inspires confidence in us to handle all your transportation requirements from Kandla, Mundra & India in a highly professional manner.

Our team is always ready to do the extra mile to ensure your satisfaction So do not hesitate, [contact](#) us for all your Chemical trucking needs and our team will provide a very competitive rate.

Container Transportation

With modern fleet of increased capacity and organized structure, our aim is to provide the best possibilities for movement of container deliveries to reach the client at its satisfaction with safe & timely delivery.

Our vehicles that are provided for the services have the facilities to meet the demands of importers and exporters and, to ensure guarantee for their damages during the transit period.

Freight Managers

A.B.C. can arrange transportation throughout India for any type of Chemicals or containerized products.

We have built our reputation on outstanding performance at the heart of the chemical transporting: our track record in freight management is second to none. We manage those using experts of the industry in delivering a freight service that is flexible, reliable, and cost-effective.

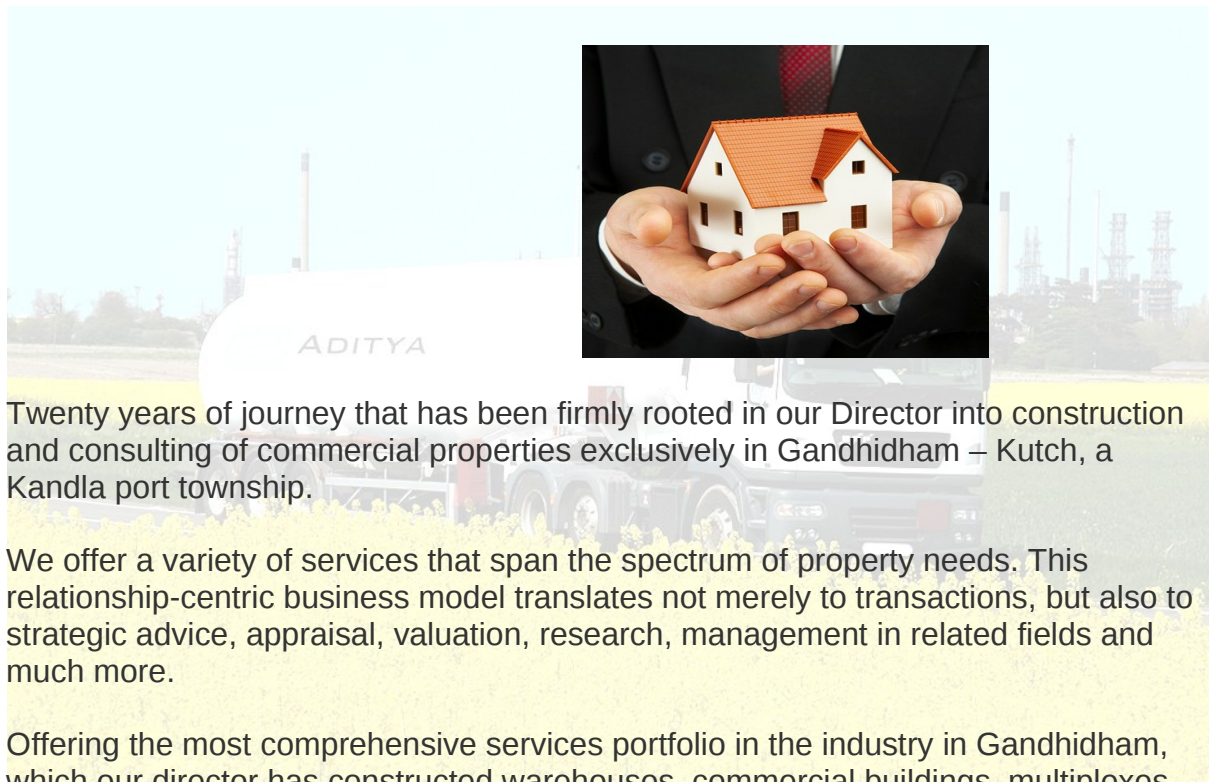

Door to Door Xpress

We continue to modernize our existing transport facilities and easing working style to better serve the clients. As business requirements have shifted, the need for higher efficiency and more economical logistics spending has increased.

Aditya bulk Carriers can provide door to door service for our clients to handle almost all types of chemicals/containers in almost all countries through a strong network of international agents. We can provide the solution to any shipping requirement and serve as a single-source logistics window through our Door to Door Xpress service. This ensures that our team can provide complete and comprehensive door-to-door, through-haulage service from all inland points of the mainland to overseas destinations via Indian Ports.

Being a customer oriented organization; we are committed to offer the highest standards of quality, timely deliveries, cost- effectiveness and customer satisfaction.

Real Estate

Twenty years of journey that has been firmly rooted in our Director into construction and consulting of commercial properties exclusively in Gandhidham – Kutch, a Kandla port township.

We offer a variety of services that span the spectrum of property needs. This relationship-centric business model translates not merely to transactions, but also to strategic advice, appraisal, valuation, research, management in related fields and much more.

Offering the most comprehensive services portfolio in the industry in Gandhidham, which our director has constructed warehouses, commercial buildings, multiplexes, godowns and negotiated hundreds of land and bungalow deals; sold, leased and rented several square feet of offices, godowns and sheds.

These values have effectively acted as a roadmap on the highway to success.
